Petition to Support a St. Clair Streetcar Right-of-Way

To Toronto Mayor David Miller, Toronto City Councillors Walker, Mihevc, Palacio, Nunziata, the Legislative Assembly of Ontario,

The streetcar tracks along St. Clair Avenue West from Yonge Street to Keele are scheduled for rebuilding in 2005.

We, the undersigned, petition you to support the creation of a dedicated streetcar right-of-way along the entire length of St. Clair Avenue West, from Yonge Street to Keele. This would improve the reliability of streetcar service and reduce short turns. We believe it would also encourage many more people to shop, commute, and walk along St. Clair Avenue West.

Name (print)	Signature	Street name and number	Postal Code	Phone number or E-mail Address (if you would like to be kept informed)

This petition is organized by the St Clair Right-of-way Initiative for Public Transit (SCRIPT) at: info@script2004.ca or www.script2004.ca or call 416-535-1617
